

BASE BALL TODAY

Warren District Grays vs. Douglas Grays

Game Called at 2:30 P. M. Admission 35 Cents

Base Ball and Sports Generally---Good Games for Today

TODAY'S GAME

This afternoon at 2:30 the Grays and a representative aggregation of ball players from Douglas will cross bats at the ball park in Warren. This is the fifth encounter of the season between these two teams; the score now standing two all. The Grays have been engaged in earnest practice the week past, under the direction of Coach Henry and are in fine fettle for today's contest. The game will be a hot one from start to finish. Two weeks ago in Douglas the Smelter City boys took the local bunch into camp to the tune of four to five at the end of a brilliant and well played game, and arrived in the city this morning imbued with the idea of repeating the dose.

Today's game will see the new addition to the Grays, Mr. Woodbridge of Conway Hall, Pennsylvania, in action as guardian of the third sack. Woodbridge has displayed great ability in practice, both as a fielder and hitter, and will ably fill the vacancy of Grady who has departed for foreign fields.

Either Champion or Elliott will appear on the firing line for the locals, with Ben Kelly behind the plate, prepared with the warm weather to serve them a la carte against the interests of the smelter batmen. Ames will twirl for Douglas.

Today's game will be the first exhibition on the home ground at the uniform price of thirty-five cents admission. Jesse Yeakum has promised that the Warren Zephyrs will be securely locked in the car barns by twelve o'clock today, and that the solar system of the City Beautiful will be unrolled with unstinted generosity for the benefit of the fans who journey down, a record breaking contingent of which article is promised for today.

RIFLE CLUB

The members of the Bisbee Rifle Club will have an opportunity soon to find out how they stack up with the other Rifle Clubs of the State, as Geo. Roskrug, Secretary of the State Rifle Association has offered a cup to be competed for. The ranges and conditions are: Rapid fire, 10 shots in one and one-half minutes, target B; 300 yards, 10 shots slow fire, target A; 600 yards, 10 shots slow fire, target B; the last two ranges being shot prone, the first kneeling. All members of the Club will compete, and the 6 high men will compose the team.

Competition for the various prizes offered by the local Club is very keen. The oldest member of the Club, Mr. Ives, having a shade the best of the argument for the Grayson prize, making 89 on the skirmish, and a total of 397. Gainer seems to have a little the best record for the Grayson prize, though the majority of the

GREATEST PLAYER NOW SUSPENDED

Tyrus Raymond Cobb.

The world's greatest baseball player, stellar batter, fielder and baserunner, Tyrus Raymond Cobb, property of the Detroit Tigers, is now suspended from his league baseball. His refusal to sign on at the salary the Tigers offered him and his failure to report at the opening of the season automatically suspended him and he can only be reinstated by application to and action of the national commission.

A salary of \$15,000 a year is reported to have been his demand, while Detroit is said to have offered about the \$9,000 per annum for which he has played for the last three years. Negotiations seem to be at a standstill between him and the club.

Members say that both will have to step a little stronger to retain their lead. A number of the members have ordered automatic pistols and it is contemplated giving a pistol match in the near future.

The first of the State telegraphic matches will be pulled off today, and all members of the Club are urged to be on hand early, as the targets will be in position by 8:30, ready for use.

THIRD ANNUAL ATHLETIC MEET

Final plans were made Thursday for the third annual grammar school athletic meet, to be held this year on

May 16. Each year interest in the meet has grown and there is every expectation that the coming one will be the most successful yet held. It will be under the auspices of the Warren district Grammar school Athletic league, at Warren park, opening at 2 p. m.

It has been decided to have two weight classes, under 100 pounds and over 100 pounds, to be known as light weights and heavy weights respectively. All the entries must weigh in at the Y. M. C. A. during the last week before the meet. Three entries from each school in each class will be allowed. In the selection of the entries the individual schools will probably settle upon their representatives by competitive tests. All the entries must be in by May 9.

The following is the list of events for the meet: 50 yard dash, lightweight and heavyweight; running broad jump, both classes; 220 yard run, both classes; running high jump, both classes; 8 pound shot put, heavyweight only; 200 yard relay race, heavyweight only. The following will be the method of scoring: First place, 5 points; second, 4 points; third, 2 points and fourth, 1 point. The relay race does not count for points as a special prize is offered for the winning school. In the general events the Gilman Two Year cup is to be competed for.

Try-outs by a number of the schools have already begun. Each of the schools is hoping to enter a strong team and from now until the meet regular practice will be held. The various officials of the meet will be announced later.

EVEN NAUGHTY PARIS IS STARTLED BY THE CLINGING TROUSER SKIRT AND GLOVE GOWN

Trouser skirt (left) and glove skirt.

Paris is a wee bit startled out of its usual composure by the newest fad in women's apparel, introduced at the spring meet on the Long Pump race course. The trouser skirt is split in front to the knee, and the edges of the slit are tucked to the back of the skirt. The glove skirt lives up to its name and out-bobbles the hobble.

Al Kaiser, formerly of the Boston Braves, has signed with the Indianapolis team of the New Federal league.

"Long Tom" Hughes, who has been pitching to these many years, is still pitching and pitching regular 18-K ball for Washington.

For the first time in his seventeen years in the big leagues Bobby Wallace, of the Browns, was out of the opening game of the season.

Charlie O'Leary, the old Detroit short-stop, is back in the big show, playing like a hero in the movies with the St. Louis Cardinals.

Big Chief George Murphy Johnson, the Indian hunter turned over to Cincinnati by the White Sox, is pitching some great ball for the Reds.

"Old Fox" Griffith's Washington boys are traveling in the third speed and American League teams will have to play their prettiest to stop them.

Danbury, Conn., has been admitted to the new New York and New Jersey league. The club will be owned by Ernest C. Landgraff of New York.

A watch for with a monogram of silver set with diamonds was presented to Roger Bresnahan by St. Louis friends, when the Cubs opened the season in Hugginsville.

The "hidden" trick has been tossed into the discard by the American League. Umpires have been instructed not to call base runners out when they fall victims of the ancient stuff.

Captain Larry Doyle of the Giants has his old war club working with good results. Said results consisting of hits that rap the fence in the outskirts of the ball yard.

"Minstrel" Cy Morgan had his old wing oiled up nicely and came home a winner the first game he pitched for Kansas City. Toledo was the victim of the former Philadelphia-Boston heaver.

The Brooklyn Superbas are playing good ball, and with a fair share of the breaks of the game Dahlen's crew should be able to do something for the other end of the big bridge.

The Giants have signed Dave White, who has been pitching for the Georgetown University nine. He is a brother of Steve White, the former star twirler for Princeton University.

Frank Schulte, of the Cubs, says that he will make 30 home runs this season. As 12 homers was Frank's share last season he will have to do considerable clotting to make good his boast.

Young Janvrin has not been setting the grass on fire around first base for the Red Sox. But it isn't the kid's fault at that. His regular position is across the diamond at the hot corner, where he is able to hold up his end with the best of them.

On The Wagon
It's a long and lonesome ride
On the wagon:
And monotonous beside.
On the wagon:
But you don't see cows with wings
Or a rattlesnake that stings
Or a pink bobcat that clings
Or a thousand other things.
On the wagon.

Elmer Spink invited Deacon Stubbs up to hear him play the pianer. They say Elmer is one of the best ear players in this part of the country but the deacon says that is a lie for Elmer didn't play with his ear but with his hands, the same as any other pianer player.

REGISTRATION
More than 500 women in the Warren district have been registered and there is every expectation that, by the end of the registration time there will be 1200.

"One of the most encouraging points," said Dan Seed yesterday, "is that hardly a woman refuses to register. They appreciate the power of the ballot. Mr. Hogan and I started out Friday morning at opposite ends of the district and made 180 registrations Friday and as many today."

Justice Smith, of Lowell, J. T. Bankard, Warren, both report brisk business in registrations. Justice Smith is keeping his office open nights until 9 p. m. and so is Justice High, in Bisbee. Many shoppers last night made it a point to register.

Following is a close estimate of woman registration up to last night: Hogan and Seed, 320; Justice High, 202; Justice Thomas, 75; Justice Smith, 50; J. T. Bankard, 40; total 678.

In order to carry out the new salary-limit rule of the International League, all the players were compelled to make affidavit that the full and entire amount of compensation or remuneration, including salary, gift or anything else by whatever name, that was received directly or indirectly from the club, did not exceed the amount shown on the face of their contracts.

"Pep" Young, who is holding down short for the Highlanders, is not very strong in stick work, but plays a nifty game in the field.

Don't Let the Wicked Imps of Bad Blood Lay You Low; S. S. S. will Save You.

The blood often needs a bracing influence. It demands help. It has lost that pulsating, invigorating effect that gives brightness to the eyes, springiness to the step, activity to the stomach and digestion, and that ought to make you feel keen, alive and thrilled with the sensation of nervous and muscular energy. And you can realize all of these joyful experiences by a short use of that wonderful bracing medicine so familiar to a host of people as S. S. S.

It drives out the poisons and echoes of rheumatism, puts life into your dull, listless nerves, awakens the sluggish heart, stimulates the tired, weary muscles; and arouses your blood to throw out of the system all those poisonous germs and acids that cause eczema, itches, psoriasis, acne, pimples, boils, tetter and those scrofulous taints which keep people half sick and make their

skin unsightly. Nearly all sickness is due to sluggish blood. And if you let S. S. S. battle you with its wonderful influence your nervous troubles, your weariness, listlessness, listless body will revive and become so renewed with the sense of enjoyable health you will scarcely know yourself. S. is not a "dose," not a phonic, but a true, bracing, purifying medicine that is sure to do you a world of good.

It is just what you need. S. S. S. is prepared in the great laboratories of Atkinson, Ok. and if you are troubled with any stubborn blood disease their medicine will guide you safely to health. Write them.

BASE BALL TO-DAY.

The tie between Bisbee and Douglas for first place in baseball honors will be broken today, when the two teams meet at Warren park. The game will be called promptly at 2:30.

Three afternoons each week and sometimes more have seen the Grays out practicing and the local nine is confident of winning this afternoon. In addition to the old lineup of C. Ridge-way, recently returned from a preparatory school in Pennsylvania, where he played star ball, has been added to the line up and will play at third base. It is not known who will pitch this afternoon but probably Champion will twirl for the home team. The game will be one of the most interesting of the season as four games have so far been played between the two teams and each has won two.

A tentative schedule for next month has been arranged. On May 4 El Paso will play here. May 11, Grays at Douglas. May 17 and 18 Grays at El Paso. A game with Phoenix may also be played next month. There are no games with Tucson

With The Soxers.

Pull McGovern in action is almost an exact counterpart of his famous brother "Terrible Terry."

Tommy Ryan, the former middleweight, has organized a new boxing club, at Syracuse, New York.

Young Jack O'Brien, who went to England some months ago expecting to get a battle with Freddie Welsh, has returned home.

A great showing of late, will box Jack "Bob" Mica, who has been making bluffs at Milwaukee the latter part of the month.

Phelps Dodge Base Ball Club entertained their friends at a very enjoyable dancing party on Wednesday evening.
